

NOTE: If you are the team rep for multiple teams, please [confirm BOTH teams' statuses](#) as some clubs had one team accepted and another placed on the waitlist.

Good Morning,

If you are receiving this email your team has been accepted to the 2024 NCVF Championships!

Next Steps:

- Housing - Some teams are still working with TTS to fulfill their full housing needs. If you are one of these teams, this is still required and acceptance can be revoked if you do not complete this process with TTS. Do not worry, you do **NOT** need to do anything on our end right now, we will follow up with all teams to confirm you are good or still need something as TTS works through their list in the coming weeks.
- Rosters - The deadline to ADD players to National Tournament Rosters is February 20th. The limit is 15 players and 5 non-players (coaches, managers, etc.). Anyone can be removed from the roster at any time (including at or during the tournament) with no penalty/fee.
- Player Forms - These will all go out in early March. We will send out instructions and updates when these forms are available.

Looking forward to seeing everyone in April!!
