

Good Evening,

We are quickly approaching the late deadline for the Enrollment Verification Forms and our records show that we have not yet received your team's Enrollment Verification Form.

If you believe that your form has been submitted, please send us the email address that would have submitted your form so we can search for it. If your Enrollment Verification Form has not yet been submitted, you have until Thursday, April 11th to submit the form or **you may be removed from the tournament.**

Additionally, a late fee is now due, payable as follows:

VBReg > Team Rep Menu > National Tournament Roster > Make Fee Payment > Late Enrollment Verification Form Fee
