

Good Morning,

**Rosters:** Today is the final day to add players to your National Tournament Roster (**NO PLAYER ADDITIONS ARE ALLOWED AFTER FEBRUARY 20<sup>TH</sup>**). All players that may be attending with your team should be added today (they can be removed at any time). Please [review your National Tournament Roster here](#) (click on the number to see the roster) and reference [the instructions here](#) if you are having issues. Please also add any NON-PLAYERS that will be sitting on the bench (Coach, Athletic Trainer, players from other teams, etc.) to the Non-Player List on the National Tournament Roster.

**Compliance:** Please review the [Compliance/Eligibility Checklist and FAQs](#) and ensure that all of your players are eligible to participate. Information on Graduating Senior and Internship/Co-op Exceptions can also be found on that page. The deadline for these is today, but I will accept appeals through this Friday (2/24) after which there will be a late fee for any additional appeals. If you are unsure if an appeal will be granted, add them to your National Tournament Roster today and then remove them later as needed.

Best,
