

Good Afternoon,

If you are receiving this message your tournament roster is incomplete. The deadline to complete your roster for the 2022 NCVF Championships was Sunday, February 20th. We have extended this deadline until Friday, February 25th, but if your roster is incomplete at that point you may lose your position in the tournament to a team on the waiting list.

[Instructions on filling out your tournament roster can be found here.](#)

Thank you,
