

Good Morning,

[All teams that have completed registration have been updated.](#) Please check that the National Tournament roster count for your team is the correct number and [follow these instruction](#) if you need to add anyone else by Friday. Registration numbers are now as follows:

Men's:

- 276 teams accepted
- 4 remaining openings
- 34 teams with pending registration (teams will be moved to 4 open spots and then placed on waitlist in order payment AND housing are completed)

Women's

- 273 teams accepted
- 7 Division II openings
- 6 teams placed on waitlist (teams will be moved to accepted as teams drop OR if we are able to open spots by moving accepted D-I teams to Division II)
- 21 teams with pending registration (teams will be added to the waitlist in the order payment AND housing are completed)

TTS opened rooms at 3 additional hotels this week. I am still showing around 50 open rooms for teams still in need of housing.

Some answers to the questions we are getting the most often:

- Waitlist – We have a waitlist every year. Typically we are able to accept several teams off of the waitlist as teams drop. If the waitlist for men or women reaches a certain number we may also look at adding an additional division so please complete registration if you are still interested in attending. FULL REFUNDS WILL BE ISSUED FOR TEAMS ON THE WAITLIST THAT ARE NOT ACCEPTED TO THE TOURNAMENT.
- Accepted D-I, waitlist for other divisions – Division II and Division III teams that registered after those divisions filled were accepted into the tournament and placed into I-AAA and onto the waiting list for D-II or D-III. These teams will be in the tournament no matter what, and will be moved to their preferred division if spots open up.
- Division I/IAA/IAAA – The week before the tournament, the seeding committees will rank teams and the teams will be assigned to division as follows:
 - D-I – Teams ranked 1-48
 - D-IAA – Teams ranked 49-96
 - D-IAAA – Teams ranked 97-144
- Player Forms/Enrollment Verification – These forms will be available in March.

Please let me know if you have any other questions. Looking forward to a great tournament!
