**Subject:** FW: NCVF Championships - April 5th Update/Waitlist Update

Waitlist Teams:

Here is all the information we currently have for you:

- Current Status – After some additional drops, we are down to 12 men’s teams and 7 women’s teams on the [waitlist](#). This online list is fully updated and will be updated as soon as we know of any additional drops.
- Likelihood of Additional Drops – We typically have very few drops the last week, but we do still have quite a few teams with outstanding Enrollment Verification Forms. If teams do not submit by Friday we will follow up with them over the weekend and let you know on Monday if anyone additional has dropped/been removed. We understand that Monday is extremely late notice, but this is the first year we are doing electronic Enrollment Verification Forms and it is actually buying us several days of notice (prior to this year we would not have known until the team didn’t show up at check in).
- Housing – The housing drop deadline for each hotel was sent to teams upon booking. TTS has submitted final team info to the hotels so you will now need to reach out directly to the hotel to drop your rooms (in accordance with their cancellation policies).
- Enrollment Verification Forms – The March 31<sup>st</sup>/April 7<sup>th</sup> deadlines will not be applied to your teams, but we HIGHLY RECOMMEND completing these forms now so you are ready to go if a spot opens up.
- Player Forms/Waivers – These will be sent out to teams as they are accepted to the tournament.
- Attending – If you are planning on attending the event without confirmation of acceptance please let me know so we can get in touch with you if teams drop during check in.

Best,

**Nicholas Toth**

Good Morning Team Reps:

We are one week away from check in!

- Practice – Practice time signup instructions will be sent out ASAP. Keep an eye on your emails.
- Enrollment Verification Forms – We have processed over 500 teams. I will send another email out today to teams who do not have their forms completed. The deadline for these forms was March 31<sup>st</sup>. **THE LATE DEADLINE IS FRIDAY, APRIL 7<sup>TH</sup> AT WHICH POINT YOUR TEAM MAY BE REMOVED FROM THE TOURNAMENT.**
- Individual Player/Rep Forms – The initial deadline for these forms was April 1<sup>st</sup>.
  - We will be following up with teams that have outstanding forms.

- If your player/rep was recently added to your roster they will be covered in the next wave of new forms going out in the next week.
- You can check/resend your individual player form status through VBReg following the [instructions sent out on 3/20](#).
- If a person is listed on multiple rosters or as a player and a non-player on the same roster, they will receive multiple forms and will need to sign all of them.
  - If someone is already on the National Tournament Roster as a player, they can be deleted as a Team Rep, etc. on the National Tournament Roster (the non-player section is for additional people, not for people already on the playing roster).
- There are 3 reasons the forms typically fail:
  - You must update or change the email address, if you leave the same email address and try to send again, it will fail.
  - If you try to send more than one per hour, it will fail.
  - Tell them to go search junk/clutter/other and find the original email, you would be surprised how often they can find it.
- Tickets – [Tickets sales are live](#). Please let your families and friends know!
- Streaming – [BallerTV will be covering the 2023 NCVF Championships](#). Event passes will be available through BallerTV and cost \$40 for the event.
- Spirit Days – We will have the spirit days below. Tag @thencvf on Instagram to enter. Please note that we will tag your school account if you tag us in anything inappropriate :)
  - Thursday – Crazy Socks
  - Friday – Tropical Shirts/Outfits
  - Saturday – Team Shirts

See you in a week!
