

Good Morning Team Reps!

As of this morning we have 414 teams that have started registration (208 of which have completed registration). **This puts us 3-4 weeks ahead of last season in terms of the tournament potentially filling early so if you are planning on attending the 2023 NCVF Championships, please complete your registration as soon as possible to ensure entry.**

You can [check your registration status here](#):

1. Payment will automatically be marked as completed when credit card payments are made. Check payments will be marked off as delivered.
2. TTS has fully updated housing as of the last day or two. If you have booked in the last two days, please give them a few days to update your status. If it has been more than a week since you booked, you can [contact TTS](#) to ensure your housing is completed.

Teams will be accepted in the order that BOTH payment and housing are completed. Once divisions begin to fill, teams will be placed on the waitlist in the order that BOTH payment and housing are completed.
