

Good Morning,

If you are receiving this message your team is PENDING for the 2023 NCVF Championships. As of the time of this email we have already filled several divisions and 451 teams have completed registration meaning we only have 39 men's and 14 women's spots left in the tournament (63 men's and 41 women's teams are on the pending list). Teams will be placed into those remaining spots and then onto a waitlist in the order that they complete BOTH PAYMENT AND HOUSING.

Do not book travel until you have been ACCEPTED to the tournament.
