Team Reps:

As of tonight, we have the following registration numbers:

Men's

- 207 men's teams accepted
- 21 men's teams that have completed payment and housing and will be accepted during the next update
- 12 men's openings

Women's

- 204 women's teams accepted
- 10 women's teams that have completed payment and housing and will be accepted during the next update
- 9 women's openings
- 17 additional openings for D-II teams only

[You can double check that your team is listed as ACCEPTED or that both Payment and Housing Status are showing YES, as well as your National Tournament Roster count here.](#)

As we have lots of teams scrambling at the last minute and some housing limits, we have extended registration and it will remain open until end of day on Friday, February 25<sup>th</sup>. Teams will be accepted or placed on a waiting list in the order that they complete the following:

- Tournament entry fee paid through VBReg; AND
- Housing booked through TTS
  - We have 70 teams that have yet to book housing and all hotels are currently full. Several hundred rooms were still open on Friday morning, and the rush of last minute bookings filled the room block with no notice to TTS that more rooms were needed. I have sent all of your contact information to TTS and they will contact you as soon as additional rooms open.

Teams that are placed on a waiting list and are ultimately not accepted to the tournament will receive a full refund of their entry fees.

Please also double check your [National Tournament Roster](#) and make sure all of your players are added. The deadline has been extended from tonight to end of day on Friday, February 25<sup>th</sup> as well. FRIDAY IS THE LAST DAY YOU WILL BE ABLE TO ADD ANYONE TO YOUR NATIONAL TOURNAMENT ROSTER.

The deadline for appeals and eligibility exceptions has also been pushed to Friday night.

- [Graduating Senior Exceptions](#) are needed for any graduating player who is taking less than ¾ full time credits. Please have the registrar complete and seal the form, and then send a scan to me
- [Internship/Co-op Exceptions](#) are needed for any player taking less than ¾ full time credits because they are taking an internship/co-op required or highly recommended for their academic program

- [General Appeals](#) are needed for any other eligibility issues

Please email any eligibility appeals/exception forms to me.
