

Good Morning,

If you are receiving this email, you have not yet completed your NCVF Championship registration. **Today is the final day to complete your registration.** Understanding that the waitlist currently looks daunting, we have already expanded one division and we are looking at potentially expanding other divisions, but we can only make this determination after teams have finished registering and we have a final count of teams for the tournament. If you still want to attend the tournament, make sure you finish registration today.

Thank you,
