

Team Reps,

Quick Points:

- Coach of the Year for Men's and Women's Divisions I, II, and III
- Send attached application to NCollins@ncvf.org by April 10th

The NCVF Coach of the Year Award was developed to recognize outstanding efforts for coaching excellence in collegiate club volleyball. If you feel your coach should be considered for the award, please complete the attached nomination form, along with a brief 1-2 paragraph essay explaining the reasons why he/she should be selected. All criteria will be considered such as coaching style, team record, efforts on/off the court, outstanding coaching qualities, volunteerism, as well as others that you feel are important to consider. All nominations should be submitted to Nick Collins (ncollins@ncvf.org) no later than April 12th, 2019. A committee will review all nominations and select the outstanding candidate for Men's & Women's Division I and Division II / III. An award will be presented to that individual at the pre-tournament captains/coaches meeting on April 13th.
